LOCATION:

In Consolação and Peniche it is very close to coffee houses, bars and typical restaurants.

The site offers numerous activities for all ages, walks with defined routes near the sea, bike rides or water sports you can practice: diving, sailing, kite surfing and Stand Up Paddle Board.

In the area of Consolação you have everything you need, restaurants, convenience stores, coffee houses, bakery, post office, bank, doctor, etc.

To the south, it is endowed with excellent therapeutic conditions - in an open cove, accumulated iodine combined with other natural conditions, and by exposure to the sun, provides medicinal treatment for the benefit of the spine. This fact is unique in the European continent and brings to the Consolation, many thousands of people annually.

On the north side, the landscape is completely different. From the fort we can see a wide and very extensive beach that extends for several kilometers towards Peniche. Bathed by the strong sea, this beach is highly appreciated by surfers and windsurfers. It has coarser sand than usual in the region
