## Description

Set at the end of a quiet country lane with stunning views across the local countryside, is this new house due to be completed at the end of 2020. The property will consist of 3 bedrooms, two bathrooms, a large lounge/dining room, and a large kitchen. The property will be preinstalled for central heating and air conditioning. There will be solar hot water with an additional electrical element for back up. There will be large picture windows, with stunning views, in the lounge/dining room. All floors will be wood effect tiles. From the lounge/dining room, stairs lead down to the garage. These will be in stone which matches that used on the windowsills.

A calçada path will lead to the front door which will open into a hallway. The hallway will lead to the three bedrooms, bathroom, kitchen and lounge/dining room. All three bedrooms will have fitted wardrobes and patio doors leading onto a terrace. The kitchen will have a good range of base units and cupboards with granite worktops. A door from the kitchen opens onto a terrace which looks out over the back garden.

Stairs lead from the lounge/dining room to the enormous garage where there will be plumbing for washing machine and the Solar hot water tank.

Outside there will be a good size parking area. A path will run around the outside of the property. There is plenty of room for a swimming pool.

Early viewing of this property is highly recommended. Properties of this quality and in this price range are rarely available in this area.
