The land has 690m2 with the possibility of construction, well located, in the center of Foz do Arelho, close to good restaurants, shops, services, transport and a few minutes walk from the Óbidos lagoon and the beach.

It has partial views of the lagoon and lots of sunlight.

Regarding accessibility, access to the A8 motorway is about 10 kilometers away, the same as is necessary to reach the city of Caldas da Rainha, less than an hour from Lisbon's international airport.

From the property's location, there is easy access to several golf courses, surfing in Baleal, Peniche or Nazaré and cultural activities, both in Caldas da Rainha and Óbidos. The mild climate of the region allows you to enjoy contact with nature or to play sports almost all year round.

All excellent reasons to invest in the West region and the Silver Coast, a place where the number of people interested in living grows every day, benefiting a lot that the region can offer to those who decide to live there.
