This plot of land with 810m2 is situated in a quiet area just 10 minutes from the town of Penela and around 30 minutes from the city of Coimbra.

This flat plot situated in the small village of Torre Chao De Pereiro is in an area where construction is permitted and is within walking distance of the local cafe and just 5 minutes drive from Penela shopping centre where you can find a supermarket, hairdressers, and cafe as well as smaller shops.

Mains sewer, telephone wires, water, and electricity run along the road at the edge of the plot and can easily be connected.

A small plot situated just a few metres away could also be purchased if needed and would make a wonderful vegetable garden.
