5 bedrooms apartment in a very central area of Coimbra.

This apartment is located in a very central area of Coimbra, but at the same time quiet, where you can live peacefully. Everything you need for your day life to day is close by.

The apartment is on a first floor, which is divided into

- 5 bedrooms, one in suite.
- A big living room.
- A very spacious kitchen.
- A pantry.
- 2 Bathrooms.
- 2 Panoramic glazed balconies.
- A parking space.

In general we can say that this apartment is quite large but comfortable, all areas are spacious and well designed, so that you can enjoy the apartment in a practical way, but with a feeling of comfort that is always present. I would like to highlight the big but practical Kitchen, the large lounge and the two large panoramic

side balconies, completely glazed, with excellent and unobstructed views, which capture a lot of light to the inside.

This apartment is ready to move in, however, a new interior painting will be advisable, as it has not been painted for some time.

The apartment could be ideal for a large family, or to invest for rent to students, which is a very interesting market and with a lot of demand in the city of Coimbra.

Don't miss this investment opportunity, in one of the most beautiful and historic cities in Portugal.
