LOCALIZATION

Consolação is a wonderful beach near Peniche.

To the south, it is endowed with excellent therapeutic conditions - in an open cove, the accumulated iodine combined with other natural conditions, and due to its exposure to the sun, provides a medicinal treatment for the benefit of the spine. This fact is unique on the European continent and annually brings to Consolação many thousands of people.

On the North side, the landscape is completely different. From the fort, you can see a wide and very extensive beach that extends

for several kilometers towards Peniche. Bathed by the strong swell of sea, this beach is very popular with surfers and windsurfers. It has thicker sand than usual in the region

The place offers numerous activities for all ages, hiking with defined paths near the sea, cycling tours or water sports that you can practice: diving, sailing, Kitesurfing and Stand Up Paddle Board.

Here and in the Peniche area you have everything you need, restaurants, convenience stores, cafes, bakeries, etc.

A 20-minute drive from Óbidos.
